

### Thermofoil doors

Northern Contours; a leading nationwide manufacturer of thermofoil doors, drawer fronts, mouldings and components since 1992.

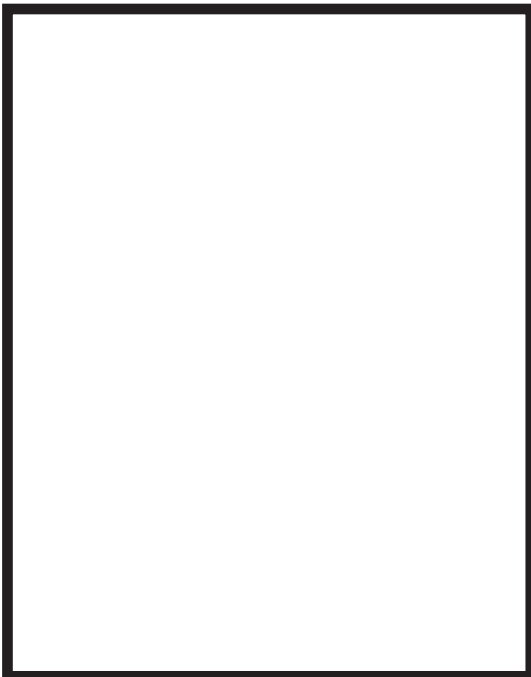

Available on a “per kitchen” basis, including styles in Shaker, Traditional Raised Panel, Flat Panel, Contemporary Series and the popular Glazed Series.

Accessories with colors to match such as wine racks, frame doors, mullion doors, mouldings, appliance panels fillers and rosettes.

All Northern Contours thermofoil products are warranted against defects occurring in the manufacturing process and delaminating or surface discoloration for 5 years from the date of original installation.

Please contact us for color selections and door selection brochures.

Order forms available online at [CabinetWare.com](http://CabinetWare.com)

### Custom Wood Doors

Northern Contours custom wood doors feature veneer center panels that offer greater stability, uniformity of color, fewer defects, competitively priced and a great time saver.

Northern Contours takes the time to pay attention to the details of excellent corner detail. This machining process of the raw wood means a more consistent and even finish for your doors and drawer fronts.

Custom wood doors and drawer fronts are available in maple, red oak and cherry. These are sold on a “per kitchen” basis. They will be delivered to you unfinished and arrive finish room ready.

You will like our prices and the quick turnaround times to meet your installation schedule.

Please contact us for the custom wood door literature which gives information on mortise & tenon or mitered doors, applied mouldings, mullion doors and appliance panels.
